About Me

I am a young **systemic designer**, focused on **environmental and social sustainability**. People describe me as a **passionate** and **highly committed team worker** with good **leadership and organizational skills**. I aim to work in an **innovative environment** that is consistent with the values of **sustainability** in which I firmly believe.

Education

CHALLENGE NETWORK

High professional training
Territorial Development Manager
May 2023 - Jun 2023

During the course I improved my **project management** skills with a focus on **sustainability** and **territorial development**. The lessons took practice in a **teamwork project** that enhanced characteristics of a chosen territory.

POLITO

Politecnico di Torino, TO
Master Degree 110/110
Systemic Design
Sep 2020 - Feb 2023

As a **Systemic Designer** I learned how to place the person and the environment at the heart of my work, with a **multidisciplinary** approach including all dimensions of **sustainable development** of industry, territories and communities.

UNIBO

University of Bologna, BO
Bachelor Degree 104/110
Industrial Product Design
Sep 2017 - Oct 2020

The training activity, organized in collaboration with companies, associations and organizations in the area, included **team work projects** within **design laboratories, workshop** and **exhibit lab** spacing between a multitude of different themes such as **graphic, service** and **product design**.

Working experiences

SUSTAINABILITY CONSULTANT

ABC Servizi Srl
Intern
Oct 2023 - Now

I **supported** the sustainability team in drafting reports and collecting data for client companies who aim to obtain sustainability certifications: e.g. **UNI ISO14064**. I contributed to the development of spreadsheets for internal use to measure the **carbon footprint** of clients and to develop **sustainability reports** according to **GRI standards**.

FOUNDER, SOCIAL MEDIA MANAGER

Due Curve Un Falsopiano
Volunteer
Jan 2019 - Now

The association I co-founded aims to **bring together** passionate young hikers in the Reggio Emilia area and organize **events and activities** to discover the mountains of the territory. As a social media manager I **schedule** and **organize** all the posts in order to sponsor all the events on time.

PHOTOGRAPHER

Fringe Festival
Volunteer
May 2023

As a **volunteer photographer** I had the chance of shooting during the plays that took place during the **festival**. I challenged myself with **tight schedules** and **requests** from the communication team.

Workshops

NEBATHON

“NEB4Cities: designing regenerative, circular and irresistible cities!”

Dipartimento di Management UNITO, EIT NEB Community, New European Bauhaus
Oct 2022

During this week-long workshop I had the chance to develop a **team work project** focused on improving the **sustainability** of the city of Turin. The project developed by my team, aims to **motivate** workers in using the **bike rather than the car** to reach their work site.

Experiences

EXCHANGE STUDENT

Appoquinimink High School, Middletown, DE
Aug 2015 - Jan 2016

This experience improved my **adaptation** and **communication skills**, I had to learn how to express myself in an environment completely different from which I grew up in. During my stay in the USA I became **fluent in english** both **spoken and written**.
